Voting

1. Motion for the New and/or Newly Rate Judges Mentor Program
 - This program is designed to help our new judges and newly rated judges become more acclimated to judging that level with someone and by themselves without the pressure of their score having to count. New and newly rated judges will be allowed to judge 1 session, maximum of 3 meets. IN NAWGJ will pay their rate for the 1 session that they are practice judging. We will be asking that they attend a local meet they are not assigned to or a meet they may already be at. They need to be judging at their rating level or the comparable for Xcel and NGA. Mary, who is our New Judges Coordinator will contact new judges with this opportunity.
